**Re: Notice of Ex Parte Presentation, Iridium Satellite LLC, Special
Temporary Authority, File Nos. SAT-STA-20050923-00180/00181**

**Notice of Ex Parte Presentation, Review of the Spectrum Sharing Plan
Among Non-Geostationary Satellite Orbit Mobile Satellite Service Systems
in the 1.6/2.4 GHz Bands, IB Docket No. 02-364**

Dear Ms. Dortch:

On November 1, 2005, Donna Bethea Murphy, Vice President, Regulatory Engineering of Iridium Satellite, LLC ("Iridium") and Mike Senkowski, Gregg Elias, and Jennifer Hindin of Wiley Rein & Fielding LLP, as counsel to Iridium, met with Emily Willeford, International Advisor and Deputy Chief of Staff to Chairman Martin, and Fred Campbell of the Chairman's Office.

At this meeting, Iridium discussed the above-referenced rulemaking and special temporary authorizations (STAs). In particular, Iridium noted that the public interest would be served by allowing Iridium to access an additional 2.25 MHz of Big LEO spectrum.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. §1.1206(b)(2) (*incorporating* 47 C.F.R. §1.49), a copy of this letter is being filed electronically for inclusion in the above-noted docket. Please feel free to contact me if you have any questions regarding this matter.

Sincerely,

/s/ R. Michael Senkowski

R. Michael Senkowski
